Karnataka Electricity Regulatory Commission, Bangalore
K.E.R.C. (Security Deposit) Regulations, 2007
Notification No: D/07/7 Dated:1st October, 2007

Preamble:

As per Section 47 of the Electricity Act 2003, a Distribution Licensee may require any person, who requires a supply of electricity in pursuance of section 43 of the Act, to give reasonable security, as may be determined by regulations, for the payment to him of all monies which may become due to him in respect of electricity supplied to such person.

In order to frame these Regulations, the Commission had issued a discussion paper on 23.3.2007 and circulated the same among various Stakeholders to enable them to offer their views / suggestions / comments. The Commission had also issued a press note on 23.3.2007 inviting the views / suggestions / comments from interested persons. In response to this notification/ discussion paper, 52 persons / organizations have sent their suggestions / comments. The Commission has duly considered all the suggestions / comments received from various quarters.

Further, in order to finalize the Regulations, the Commission also held a public hearing on 8.8.2007 at 11.00 A.M. after giving wide publicity in the leading news papers to obtain suggestions and comments from any other interested persons / organizations. In this public hearing, many Consumer organizations and officers representing the K.P.T.C.L. and all the ESCOMs participated and put forth their

views before the Commission. Several stakeholders have raised objections regarding the basis of assessment of estimated consumption per month for collection of Initial Security Deposit (ISD) and have suggested that the same shall be based on the data extracted from the audit reports/annual reports/ERC filing of the ESCOMs.

The Commission has also studied the procedure of collection of Security Deposit being followed in the neighbouring States. The Commission notes that Security Deposit equivalent to 2 MMD in case of monthly billing and 3 MMD in case of bi-monthly billing is being collected in the States of Andhra Pradesh, Tamil Nadu, and Kerala and Security Deposit equivalent to the billing cycle period or average of 3 months billing which ever is less is being collected in Maharastra.

The data for assessment of the estimated consumption per month is now taken from the ERC / Tariff filing of the respective ESCOMs for a period of 7 years from 2000-01 to 2006-07 and estimated consumption per month is worked out based on the data of the above 7 years for computation of the Security Deposit.

The Hon'ble A.T.E. in its order dated: 23.1.2006 in Appeal No.69 of 2006 has held that the Security Deposit must be paid in accordance with the Regulations.

Further, Clause 30.02 and Clause 30.03 of the Conditions of Supply of Electricity of the Distribution Licensees in the State of Karnataka stipulate that the ISD (Initial Security Deposit) & ASD (Additional Security Deposit) shall be as determined by the Commission.

Based on these inputs and taking into consideration all the suggestions / views / comments put forth by the utilities / stake holders / Consumer fora and the existing dispensation in the neighboring States of Andhra Pradesh, Tamil Nadu, Kerala and Maharastra, Karnataka Electricity Regulatory Commission hereby makes the following Regulations in exercise of the powers conferred under section 181 read with section 47 of the Electricity Act 2003 (Central Act 36 of 2003) and all other powers enabling it in that behalf and orders that the same be published in the official gazette of Karnataka for information of all the concerned.
